

Instructions for writing the full paper

The Full Paper Should be Written According To The Following Format :

The final copy of the accepted papers should have single-line spacing, five-space paragraph indentation, on standard A4 size paper. The Times New Roman (12 pt) is the preferred font. **25 mm. margin is to be left on the four sides of the page, except in the first page the top margin is to be 70 mm.**

The first page of the paper should include:

- A title consisting of a maximum of 10 words in bold capital letters (18 pt. font) and centered.
- The authors names (14 pt. font) followed by their affiliations and present addresses should be centered under the title.
- Indexing terms (12 pt. font) containing a maximum of six key words indicating the area of the paper.
- An abstract of not more than 250 words (14 pt. font) in the same language of the text to give the summary of the main contents of the paper. The abstract should not include any references.

---Main headings should be uppercase Bold (font 12).

---Sub-headings should be with title case letters (first letter of each word only is capital (font 14).

--- One spacing is left between paragraphs and above headings and subheading.

---Figures should be centered in the page with its title under the figure (size 11 pt)

- For Arabic Manuscript , the same rules apply, with arial (arabic) font.
 - The final copy should be submitted as a word document..

Papers will be refereed and accepted papers will be published in the conference proceedings.
