

Erasmus+

Key Action 1, Student Mobility Project

University of Central Lancashire (UCLan) - UK

&

Ain Shams University (ASU) - Egypt

Undergraduate Students' Mobility

Target Departments

- Mechanical Engineering (Mechatronics)
- Industrial Engineering
- Electronic Engineering
- Electrical Engineering

Requirement	Information to Applicant
<ol style="list-style-type: none"> 1. Copy of Passport 2. Curriculum Vitae (European CV) 3. English IELTS with minimum score of 6.0 or higher (B2) (or equivalent). 4. Motivation Letter (maximum one page) 5. 3rd and 4th Year student (Semester 6-8), AASTMT in Engineering programmes (Mechanical Engineering (Mechatronics), Electrical Engineering, Electronic Engineering, Industrial Engineering, Computer Engineering, with GPA: 2.7 or higher. 6. Two recommendation letters from lecturers (one from head of the department at AASTMT) <p><u>Selection Criteria of Participants:</u></p> <ol style="list-style-type: none"> 1- Level of academic performance GPA. 2- Level of activity in student's life: e.g. participation in different students' committees, and Engineering competitions. 3- Nomination of the Faculty of Engineering 	<ul style="list-style-type: none"> • Duration of the programme at UCLan - UK: 4 Months and 13 days. • Available Scholarships: 5 • Start Date: 18 Jan 2020 - 31 May 2020 • The project Offers: - €900 monthly allowance. - €530 contribution to travel costs • Closing Date: 28/10/2019
<p>Modules at UCLan (3 modules from the following): EMP3704: Maintenance Management. ER3200, Mechatronics. ER3201, Electromechanical Systems. (equivalent module at AASTMT must be identified).</p>
